Become a member of PV-Vlaanderen

Who is PV-Vlaanderen?

PV-Vlaanderen is the **federation for photovoltaic solar energy** in Flanders, Belgium.

As a technology platform of ODE, PV-Vlaanderen unites the **specialised players** acting in the PV value chain: distributors, importers, wholesalers, suppliers, project developers, energy service companies, installers, maintenance companies, manufacturers, subcontractors, engineering offices, knowledge centres and investors from the PV-sector in Flanders, Belgium.

PV-Vlaanderen wants to be the powerful voice of the entire photovoltaic sector and also wants to represent you before the government, regulators and grid managers.

Become a member of PV-Flanders and benefit from the following advantages:

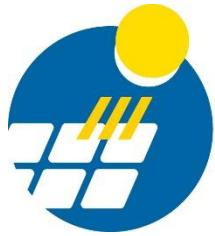

- You support a **sustainable growth of the sector**, from which your company can also benefit.
- You have a contact point for **advice and answers to questions about PV policy**.
- You receive **exclusive information** about PV policy and the PV sector via **news flashes** about policy changes and analysis of market figures (communication in Dutch).
- You can use the '**member of PV-Vlaanderen**' logo on your website or on promotional material.
- You have **networking opportunities** on our events (with member discounts, or events exclusively for members):
- **Visibility** that can result in more customers:
 - **Your logo** is mentioned on our website, on handouts/flyers, presentations and our booths on SolarSolutions Kortrijk and Intersolution.
 - **You have the opportunity to sponsor or pitch at our events.**
 - **Social media post announcing new membership**
- You can participate in **working groups** (in Dutch) on specific themes (e.g. circularity, technical topics, insurance, etc.)
